EVANS INDUSTRIAL

PRODUCT GUIDE

WHY EVANS INDUSTRIAL?

See the equipment Evans builds, owns, and services across our industrial cleaning packages. Whether you're a contractor scoping a turnaround or a plant team planning a maintenance cycle, it's the fastest way to see what we run, what it's rated for, and how it fits your application. Every unit is built or owned by Evans and maintained by our own crews nationwide. Evans is headquartered in the Gulf Coast corridor.

OUR INDUSTRIES

- Refineries
- Tank Farms
- Marine & Barge Operations
- Ship Yards
- Upstream Oil & Gas
- Heavy/Industrial Construction
- Industrial Manufacturing

OUR PRODUCTS

EQUIPMENT FOR INDUSTRIAL CLEANING & WASH PAD SERVICES

Wash & Pumps _____ 03

5,000 PSI Pressure Washer
